

New TASKI Pur-Eco SmartDose

We believe SmartDose is the most advanced dosing platform in the market.

Providing outstanding costs in use, for triggers, buckets and machines, SmartDose meets the strictest official eco-certifications including **EU Flower** and **Nordic Swan**.

The EU Ecolabel guarantees an efficient product that is fit for purpose equally or better than the market leading products. It can provide us with clearer user instructions, reduced packaging waste, reduced use of hazardous substances and increased biodegradability.

SmartDose offers a range of products consisting of:

- Acidic Washroom Cleaner
- Interior Multi Surface Cleaner
- Neutral Floor Cleaner
- Floor Maintainer
- Alkaline Low Foam Floor Cleaner
- Kitchen Multi Surface Cleaner
- Kitchen Cleaner Disinfectant

For more information on the SmartDose range please speak to one of our highly experienced Salesmen.
