

Tork SmartOne® Toilet Tissue

This revolutionary system offers single-sheet dispensing - and has been proven to reduce toilet tissue consumption by up to 40 per cent.

Available in both full-size and mini versions, the *Tork SmartOne*® is particularly suitable for use in the washrooms of schools, colleges and hospitals as well as in leisure centres.

SmartOne® is part of the *Tork Wave* range of dispensers which are made from strong plastic in either blue or white.
